### TELECHECK SOLUTIONS AGREEMENT

#### I. Services

TeleCheck will provide Company with the services indicated in the TeleCheck Services Application and Agreement (**TeleCheck Application**) which may include: (i) coded information that it may use when deciding whether to accept a check or electronic funds transfer item (each an **Item**, and together, **Items**) when provided by its consumers as payment, (ii) settlement processing services and (iii) warranty or verification services; all as described in this Agreement (together, **Services**). TeleCheck will be Company's exclusive provider of the Services during the Term (defined below) of this Agreement. Company agrees to the terms of this Agreement by signing the TeleCheck Application; clicking "Accept" or "Install" when presented via an App (as applicable and described below); or using any of the Services. Company acknowledges that the Specialty Items (Settlement Only) service does include receiving coded information, warranty or verification services.

**I.1. Delivery by Application.** If the TeleCheck Services are provided through TeleCheck's check acceptance application (**App**) that resides on a Clover® point of sale device (a **Device**), Company agrees that this Agreement will govern Company's access to and use of TeleCheck's Services on such App. Company's use of its Device is subject to its agreement with the supplier of the Device (and not TeleCheck), and this Agreement does not alter Company's agreement with its Device supplier. Company will comply with the terms of its agreement with the Device supplier; and warrants that it is authorized to install and use TeleCheck's App on the Device.

**I.2. Submitting Items.** Company will designate the types of Items it accepts and that it will submit to TeleCheck for processing under this Agreement as indicated on the TeleCheck Application. Company must submit the Item to TeleCheck through the appropriate service. For example, checks presented in person by consumers at Company's point of sale can only be submitted through the In-Person Warranty (or Verification) service, checks sent through the mail to Company can only be submitted through the By Mail/Drop Box service. Company will submit all of its designated Items to TeleCheck for processing under this Agreement. Except for Items processed through the By Mail/Drop Box service, TeleCheck will analyze each Item that Company submits for processing and, in its discretion, provide Company with an approval or decline code with respect to each Item. TeleCheck will give Company operating guidelines and specifications, as applicable, to assist Company with properly accepting and submitting its Items for processing (operating guidelines and specifications may be provided to Company electronically or made available via the Internet).

**I.3. Information Warranty.** If Company has selected a warranty service in the TeleCheck Application, TeleCheck warrants the accuracy of the information given in its approval code (the **Information Warranty**) when an Item meets the warranty requirements described below. Items that satisfy TeleCheck's Information Warranty and meet the corresponding warranty requirements are **Eligible Items**. TeleCheck will purchase Eligible Items that are subsequently dishonored, returned, reversed, or otherwise not paid by a consumer's financial institution (these Items are **Return Items**). Company's sole remedy for a breach of TeleCheck's Information Warranty is the right to require TeleCheck to purchase an Eligible Item that became a Return Item. TeleCheck's liability to Company for breach of its Information Warranty will not exceed the lesser of: (a) the amount of the Eligible Item, or (b) the Warranty Maximum set forth in the TeleCheck Service Application and Agreement. Company may accept Items that do not receive an approval code or that do not meet the warranty requirements (these Items are **Ineligible Items**); however, Ineligible Items are not covered under TeleCheck's Information Warranty and TeleCheck will not purchase them.

**I.4. Warranty Requirements.** Company represents and warrants that each Item it submits to TeleCheck for processing and coverage under the Information Warranty meets the following requirements:

- (9) the Item is not for credit, cash, or payment on an account, debt, or Item already due to Company;
- (10) the Item does not pre-date or post-date the date of the transaction and corresponding inquiry to TeleCheck by more than 1 calendar day;

If such in-person payment is approved as a paper check that cannot be settled as an electronic funds transfer, the additional requirements in **Section 1.4 F** below apply.

**C. Requirements For Online Payments:** If a consumer makes an online payment, the following requirements apply in addition to those in **Section 1.4 A** above: (a) the consumer electronically authorized the transaction in accordance with TeleCheck operating guidelines and specifications and (b) the payment website site authenticates the consumer's identity and uses appropriate site security and internet session security standards in accordance with the NACHA Rules.

Additionally, the consumer must not have notified Company that the check was

not to be converted into an electronic funds transfer. If such mail/drop box check is approved as a paper check that cannot be settled as an electronic funds transfer, the additional requirements in **Section 1.4 F** below apply.

#### **F. Requirements for Mobile Checks or any Checks Approved as Paper Only.**

If TeleCheck approves an Item as a paper check that could not be settled as an electronic funds transfer (i.e. check is to be deposited by Company) or the check is submitted to TeleCheck as an image through a mobile device (either, a **Paper Settlement Item**), the following requirements apply in addition to those in **Section 1.4 A** above: (a) the check must include the consumer's name (imprinted by the manufacturer), physical address (imprinted by the manufacturer or written on the check according to TeleCheck's operating guidelines – P.O. Boxes will not be accepted), phone number (with area code), identification type and number (imprinted or written on check), Company's TeleCheck Subscriber Number and TeleCheck's approval code; (b) the consumer's signature must reasonably match the name imprinted on the check and (c) Company must send Paper Settlement Items that were presented in-person at Company's point of purchase and that become Return Items directly from its financial institution to TeleCheck within 30 days of the date on the check. If the Paper Settlement Item was mailed in or submitted in a drop box by the consumer to Company, or if the Item was presented by the consumer to Company and submitted through a mobile device by Company to TeleCheck, and subsequent to the transaction TeleCheck instructs Company to deposit the check (due to image quality issues (a **Redeposit Check Item**), Company must deposit the Redeposit Check Item within 2 days of TeleCheck's instruction to do so and TeleCheck must receive it for purchase within 45 days of the date on the check. Paper Settlement Items and Redeposit Check Items may only be presented once for payment (TeleCheck will not accept Paper Settlement Items or Redeposit Check Items that Company or its financial institution presented for payment more than once). In addition, Company must securely store the physical check for at least 60 days following the corresponding payment transaction.

**1.5. Electronic Images.** If the Item is submitted to TeleCheck by Company as an image using a mobile device or other image reader, the ability to settle imaged Eligible Items to the banking system depends on (a) the quality of the image and (b) the banking system's ability to accept the image for settlement processing. Company will use a third party provider to capture images of Items using a mobile device (this third party, an **Image Vendor**) and submit those images to TeleCheck. Company acknowledges that its Image Vendor will require some of Company's account information (including, without limitation, merchant account number, contact name, email address and device identifier) to submit Item images to TeleCheck; and authorizes TeleCheck to provide the Image Vendor with the information necessary to allow it to submit Item images to TeleCheck on behalf of Company. TeleCheck is not responsible for the image quality of Items submitted through Company's Image Vendor, or submission of the images by Company's Image Vendor to TeleCheck. Company will destroy the physical checks that were submitted as electronic images after storing them securely for at least 60 days.

**1.6. Authorization.** Company will maintain a copy of each consumer's Authorization for the longer of: (a) 2 years, or (b) the period of time required by the NACHA Rules. Company will provide TeleCheck with legible copies of Authorizations within 7 days of TeleCheck's request for them.

**1.9. "Goodwill" of an Ineligible Item.** TeleCheck may elect to provide warranty coverage for an Ineligible Item that Company submits for processing. **1.10. Updating Information.** Company will promptly notify TeleCheck if (a) a consumer makes any payment to Company or returns any goods in connection with a Return Item that is subject to warranty coverage, or (b) Company cancels any services paid for by an Item that is subject to warranty coverage; both representing a full or partial satisfaction of the Return Item. - (3) the Item is subject to any stop payment, dispute, or setoff;
- (4) the consumer makes full or partial payment to Company for the Item, or provides any form of security to ensure its payment;

- (11) the consumer's Authorization is incomplete or invalid;
- (12) Company fails to provide TeleCheck with a legible copy of an Authorization within 7 days of a request for it; or
- (13) Company breaches this Agreement, alters an Item or approval code, or submits an Item with Knowledge it is likely to become a Return Item. **Knowledge** means facts or circumstances which, if known, would cause a merchant, using commercially reasonable judgment, to independently refuse to accept an Item (including, without limitation, splitting single transactions into smaller components or resubmitting Items that were previously denied).

Company will immediately notify TeleCheck if it has Knowledge that any of the above circumstances occur. Company will continue to be responsible for its chargebacks after termination of this Agreement. TeleCheck may chargeback any amounts that exceed the Warranty Maximum for an Eligible Item.

#### 6. Company's Payment Obligations

**Fees.** Company will pay TeleCheck for: (a) all fees and charges for the Services that are set forth in the TeleCheck Service Application and Agreement; (b) all Items that are charged back; (c) all adjustments required in connection with Company's transactions; and (d) all costs, liabilities, or other obligations imposed on TeleCheck by third parties as a result of transactions submitted by Company, its actions, or inactions.

**6.1. Other Fees.** Company will also pay TeleCheck for the following fees and charges for the Services (as applicable): (a) **Customer Requested Operator Call Fee** (also called **CROC** or **Voice Authorization Fee**), which is an additional \$2.50 fee per operator or Interactive Voice Response (IVR)-assisted call that Company initiates, but TeleCheck does not request; (b) **December Risk Surcharge**, which is an additional percentage charge added to the Inquiry Rate for each authorization inquiry in the month of December; (c) **Funding Report Fee**, which is a \$10.00 monthly fee to receive daily funding or weekly funding reports (the Funding Report Fee does not apply if TeleCheck provides the funding report monthly); (d) **Inquiry Rate**, which is the percentage rate that applies to the face amount of each Item (up to the Warranty Maximum) that Company submits to TeleCheck for authorization (whether or not TeleCheck issues an approval code for the Item); (e) **Monthly Minimum Fee**, which is the minimum aggregate amount of the Inquiry Rate fees that Company must pay on a monthly basis (if the total Inquiry Rate fees for Company's Items submitted during any month is less than the Monthly Minimum Fee, then the Monthly Minimum Fee will apply); (f) **Monthly Processing Fee** is a monthly fee for handling Company's account; (g) **Special Handling Fee**, which is a \$5.00 fee applied when the following occur: (1) a chargeback of an Eligible Item, (2) an Item processed for payment must be corrected due to Subscriber's error or at Subscriber's request, or (3) TeleCheck elects (in its discretion) to process an Item that fails to meet the applicable warranty requirements, or that is a Return Item, as a "Goodwill" Item; (h) **Transaction Fee**, which is the additional per transaction charge for each Item that Company submits to TeleCheck for authorization or processing (whether or not TeleCheck issues an approval code for the Item); and (i) **Unauthorized Return Fee** is a fee applicable to any Item that is dishonored, returned, reversed, or otherwise not paid by the Consumer's financial institution for the reason that such Item is unauthorized by the Consumer.

**6.2. Early Termination Fee.** TeleCheck will suffer substantial injury, for which it would be difficult to determine damages, if Company breaches this Agreement or terminates it early in violation of the Agreement's terms. TeleCheck may recover damages equal to 90% of the aggregate Monthly Minimum Fees and Monthly Processing Fees that are payable for the unexpired portion of the then-current Term as an accurate reflection of these damages and realistic pre-estimate of TeleCheck's losses caused by an early termination of this Agreement.

#### 7. Reserve

**7.1.** TeleCheck may require Company to fund a cash reserve (**Reserve**) in an amount that reflects TeleCheck's assessment of risk, as it may determine in its discretion from time-to-time. The Reserve is a payment obligation of TeleCheck, established by holding back transaction proceeds or debiting the Settlement Account in order to potentially offset any obligations that Company may have to TeleCheck. The Reserve is not a segregated fund that Company may claim to own. TeleCheck is obligated to pay to Company any amounts remaining from the Reserve after all other then-current and contingent liabilities or obligations related to Company's payment transactions have expired.

**7.2.** The obligations due to Company from the Reserve will not accrue interest unless required by applicable Laws.

**7.3.** TeleCheck will notify Company if a Reserve is established (including its amount) or if the amount of the Reserve is modified.

**7.4.** TeleCheck may set off any obligations that Company owes to TeleCheck from the Reserve.

**7.5.** Although Company acknowledges that the Reserve is a general obligation of TeleCheck, and not a specifically identifiable fund, if any person claims that the Reserve is an asset of Company that is held by TeleCheck, Company grants and acknowledges that

TeleCheck have a security interest in the Reserve and, at TeleCheck request, will provide documentation to reflect this security interest.

#### 8. Setoff and Priority

Company must review the Statements and inform TeleCheck of any errors within 60 days following the date that the error was, or should have been, reported; provided, Company must report settlement or funding errors to TeleCheck within 30 days (reporting errors will enable TeleCheck to recover amounts or prevent them from continuing). TeleCheck will have no obligation to provide refunds for errors that Company reports more than 60 days or 30 days (as applicable) after the errors were, or should have been, reported. Company and TeleCheck will work together to resolve issues or disputes that arise in connection with the Statements, or the funds credited or debited to the Settlement Account.

The length of this Agreement's initial term is designated in the TeleCheck Services Application and Agreement (**Initial Term**). **A.4. 6050W of the Internal Revenue Code**

Pursuant to Section 6050W of the Internal Revenue Code, merchant acquiring entities and third party settlement organizations are required to file an information return for each calendar year reporting all payment card transactions and third party network transactions with payees occurring in that calendar year. Accordingly, you will receive a Form 1099-K reporting your gross transaction amounts for each calendar year. Your gross transaction amount refers to the gross dollar amount of the card transactions processed through your merchant account with us. In addition, amounts reportable under Section 6050W are subject to backup withholding requirements. Payors will be required to perform backup withholding by deducting and withholding income tax from reportable transactions if (a) the payee fails to provide the payee’s taxpayer identification number (TIN) to the payor, or (b) if the IRS notifies the payor that the TIN (when matched with the name) provided by the payee is incorrect. Accordingly, to avoid backup withholding, it is very important that you provide us with the correct name and TIN that you use when filing your tax return that includes the transactions for your business.
